## Did you know? –

Anatime's own, Curtis Wells, organized St. Charles's 'iCare/iClean' event. Its purpose was to help restore and beautify the city's Historic Downtown District. This event was a huge success and earned endorsements from many of the area's businesses and community leaders.

If Curtis Wells can do this for a city, think of the fun and style he can give to your wedding.

Everything was up to par and then some.  
Well done!! Curtis was a tremendous  
help with everything wedding related-  
he walked us through everything and  
kept us focused, even with all the other  
related shenanigans going on!

Thank you again for everything,  
you were a very integral part of our  
most special day!

William & Alyssa Sorenson 05/13/2011

We hired Anatile Entertainment to DJ our  
wedding in March. From the very first time  
meeting with Curtis through the end of the  
reception, we have nothing but good things to  
say. He was very organized, professional and  
detailed oriented. He made contacts to all of our  
other vendors, and even toured the venue before  
the big day. The reception went wonderfully - he  
made sure everything went as my husband and I  
wanted it to be. Music sounded great - lighting  
was great. He had many ideas to bring to the  
table that I had never even thought of.

I recommend him to everyone.
